

ENVISION SOLDOTNA 2030 PUBLIC PARTICIPATION PLAN SURVEY

The City of Soldotna is initiating a project to develop a new comprehensive plan called Envision Soldotna 2030. This plan will provide implementable policies that will shape and direct new growth and development in a manner that promotes the health of the Kenai River, the quality of the built environment, and the operational and fiscal efficiency of providing transportation and other public infrastructure.

We are seeking your input to make sure the plan reflects the community's vision and has broad public support for implementation. Please complete the survey below and return to: Stephanie Queen, City of Soldotna, 177 North Birch Street, Soldotna, AK 99669. The survey is also available online at the project website, www.envisionsoldotna2030.org. Thank you for your participation.

1. Do you live in Soldotna: _____ YES _____ NO
2. Do you work in Soldotna: _____ YES _____ NO
3. Are you familiar with the existing comprehensive plan? If so, how do you use it? Does it work well? What issues or problems do you have with it?

4. What do you see as the top three land use/development/planning issues facing Soldotna?

5. Who do you believe are the key people who shape Soldotna's physical features?

6. Do you believe that Soldotna is pro-family?

7. Do you believe that Soldotna is pro-business?

8. Choose the top three issues to be addressed in the plan:

9. What recent trends in development would you like to see continue?

10. What recent trends in development would you NOT like to see continue?

11. If you were King or Queen of Soldotna for one year, what three things would you want to do during your reign?

12. What do you think is unique or special about Soldotna? What is your vision of Soldotna in 20 years?

13. The Vision Statement in the 1995 Comprehensive Plan was:

“Caring for the River and Each Other” “Soldotna – where the Kenai River flows through a vital community which provides a safe, friendly home. We are a community where citizens take pride and responsibility for their extraordinary quality of life, visitors feel welcome and aspire to return. Citizens express their historic values through attractive, unique architecture and landscaping. The river is nurtured and, in return, is the heart of healthy, compelling surroundings. The community is noted as a highly prized location”

Would you change it? If so, how?

14. What is the easiest way for you to participate in the Comprehensive Plan update? Reviewing and commenting on-line? One-on-one meetings to discuss concerns/issues? Small roundtables or focus groups of diverse interests or for particular issues?
